**DECLARATION OF NON EXISTANCE OF APPROVED FEE STRUCTURE**

I, the undersigned has declared that Eklavya Model Residential School (EMRS), B.C.Nagar, Santirbazar, South Tripura established, managed and controlled both administrative and financial in nature by the Ministry of Tribal Affairs, Govt. of India by creating a statutory body called NESTS with a view to foster education to the Tribal students (Free Education) throughout India. It is completely a Non-profitier in nature. All the recurring and non recurring expenditure are borne by Govt. of India. Hence forth there is no approved Fee structure for the students studying in this Institution.

This is completely true as per best of my knowledge.
